RULES AND REGULATIONS

APPLICATION FOR SERVICE:

All customers shall make application for service at the office of the company, giving name of applicant, mailing address, location to be served, and any other information required by the company to insure adequate service and payment of bills.

Commercial customers shall give kind of business, size of space to be heated and other use of gas in premises. Type of heating equipment, MCF recommended by manufacturer for same, pressure needed, for all purpose use. Size of piping to inside of building.

(1) The customer's meter shall be installed at the nearest point to the company's main or service line and will be designated by the company.

(2) The company will furnish and install the meter, regulator, stop and fittings from it's main to the property line of the customer.

(3) The customer shall install a service line not less than 1" of approved pipe to inside appliances, without reduction in size except same may be reduced at floor level to size opening of appliance. A stop cock shall be installed for each appliance.

(4) All gas appliances shall be installed in conformity with adopted County, state, and federal codes.

(5) The customer shall not adjust or attempt to adjust regulators, meters, or facilities of the company, and shall be responsible for any damage to meter and regulator, unless same is rendered by unknown persons, in which event same shall be immediately reported to company.

(6) Each customer shall be installed a separate meter, and no building having more than one tenant shall be served by a single meter.

(7) Meter reading will be taken between the 22-29th of each month and mailed on or before the 1st day of each month.

(8) Accounts not paid 10 days after mailing date shall be subject to a 10% penalty on the total bill due.

(9) A reconnection charge of \$ 35.00 shall be paid before service is restored following disconnection for non-payment of bill.

RULES AND REGULATIONS

(10) A reconnection charge for customers who requests discontinuance of service and subsequently re-establishs service at the same premises within twelve (12) months is \$50.00.

(11) A transfer of service charge for customers moving from one location to another is \$20.00.

(12) A service charge of \$15.00 will be made to collect a delinquent bill after written notice has been mailed to the customer stating that the bill is delinquent. Failure to pay the account at this time will result in termination of service.

(13) A service charge of \$10.00 will be made to any customer whose check is returned from the bank for insufficient funds. The account shall be considered in arrears and subject to termination under 807 KAR Section II, EFFECTIVE

(14) Mobile trailers shall be considered temporary service and subject to a connection charge of \$75.00. If service line, meter loop, etc., are in place the charge shall be \$25.00.

PURSUANT TO 807 KAR 5:011,
SECTION 001

(15) Discontinuance of Service

Jordan C. Neel

The utility shall refuse or discontinue service to an applicant or customer, after proper notice for failure to comply with its rules and regulations or state and municipal rules and regulations, when a dangerous condition is found to exist on the customers or applicants premises, when a customer or applicant refuses or neglects to provide reasonable access to the premises for fraudulent or illegal use of service, or for nonpayment of bill.

If discontinuance is for nonpayment of bills, the customer shall be given at least (10) days written notice, separate from the original bill, and cut-off shall be effected not less than twenty-seven (27) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the utility a written certificate, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may be effected not less than thirty (30) days from the date the utility notifies the customer, in writing, of state and federal programs which may be available to aid in payment of bills and the office to contact for such possible assistance.

Budget payment plan - available per 807KAR 5:006, Section 11(2)(b)

(16) For each meter a customer has, a deposit may be required but not an amount excess of 2/12 of the estimated annual bill.

(17) standard pressure 6 ounces per 807KAR 5:021 Section 16(2)

RULES AND REGULATIONS

Whenever a change occurs in the rates of a supplier or transporter of the Company, the Company shall submit to the Commission an Application setting forth the change in cost of gas per Mcf on the Company's retail rates, which shall be determined as follows:

- (1) The effect per Mcf billing unit ^{of sales} of the change in cost of gas shall be determined by the application of rates or charges of the currently effective supplier tariffs or agreements with known changes, to the volume of gas purchases by the Company during the most recently available 12-month period.
- (2) Dividing the cost of gas calculated in (1) above by the total billing units of gas purchased during the same 12-month period.
- (3) Comparing the resulting quotient of (2) above to the current average cost obtained by the above procedure and approved by the Commission.
- (4) The difference so derived shall represent the effect of the change(s) in cost per Mcf billing unit. ^{of sales}
- (5) The difference may be adjusted to allow for actual line loss experienced during the 12-month period up to a maximum of 5 percent.
- (6) The rates as stated in the Company's applicable rate sheets shall be decreased or increased by application of a Gas Cost Adjustment as determined above and approved by the Commission. ^{PUBLIC SERVICE COMMISSION OF KENTUCKY} shall be effective with gas delivered to customers on and after the ^{EFFECTIVE} effective date of the Commission's Order.

RULES AND REGULATIONS

Upon receipt of this information this Commission will review the effect of the revised rate on the operation of the Applicant and will prior to the effective date of the revised base rate, but not sooner than thirty days from the date of the filing of the above prescribed information issue its Order setting out the purchased gas adjustment that the Utility shall apply to its rate.

In the event there is a decrease in purchased gas costs or refund, the Applicant shall file the information required in 1, 2, and 4 above.

Upon receipt of this information the Commission shall review the proposed reductions and within thirty days from receipt of the information required, issue its Order setting out the proper refund and/or revised rates.

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments based upon the actual preceding twelve-months period, greater than the difference between the purchased gas billed at the then existing rates and the purchased gas billed at the revised rate.

The unit charges as set forth in the retail base rate schedules are predicated on the rates of Company's gas suppliers as authorized by the Commission which shall be the "Base Supplier Rate".

RULES AND REGULATIONS

PURCHASED GAS ADJUSTMENT - APPLICABLE TO ALL RATE SCHEDULES

The rates authorized herein are based upon the wholesale cost of gas to the Applicant as computed upon rates of its wholesale suppliers then currently in effect under tariffs for interstate business or under wholesale tariffs or contracts. These rates shall be considered as the base rate as the base rate for purchased gas. In the event there is an increase in this base rate, the Applicant shall file with this Commission the following information:

(1) A copy of the wholesale tariff effecting the change in base rate and a statement relative to the effective date of such proposed change.

(2) A statement setting out the details of gas purchased under the provision of the base rate for the previous twelve-months showing billing under the base rate and under the proposed revised rate applicable to this service.

(3) A balance sheet as of the end of the latest twelve-months period and a statement of operating expenses and revenues in the same detail as reported to this Commission in the Utility's Annual Report.

(4) Such other information as this Commission may **PUBLIC SERVICE COMMISSION OF KENTUCKY** **EFFECTIVE** for a proper determination of the purchased gas adjustment.
